Terms and Conditions: Cash or check only. Full settlement must be made to the sales clerk the day of the sale. Each animal will be sold to the highest bidder, the auctioneer will settle any disputes as to bids. All registered cattle sales under the suggested terms & conditions of each breed association the animal is registered with and or as stated below.

Guarantee: All animals are guaranteed to be breeders with the exception of: a) calves under 12 months of age; b) injury or disease occurring after the sale; c) gross negligence or willful misconduct on the part of the purchaser; d) death by any reason. Bulls sell under the terms and conditions of each breed association. The seller guarantees that all bulls are breeders for a period of 90 days following the initial turn out with the buyer's herd. A bull that settles a cow by natural service and passes a fertility test performed by a competent veterinarian or reproductive technician mutually agreed upon by the buyer and seller will be considered a breeder. Safe-in-calf females have been examined by competent personnel and are so guaranteed. Exposed females have been exposed but are not guaranteed to be safe-in-calf. Open females have not been served and are so guaranteed. This is not a life insurance policy. We will not replace a dead animal if it is killed, dies or is injured for any other reason. We would suggest that normal care be provided to these animals.

Health: Complete health papers will be furnished for immediate shipment. All bulls will have passed a BSE and semen test. Sale day Veterinarian is Dr. Wes McMullen.

Updates and Announcements: A supplemental sheet will be available sale day with complete and up to date information. Bulls current weight and scrotal circumference will be provided. Announcements from the auction block take precedence over any and all printed material.

Liability: Anyone previewing the cattle and or attending the sale does so at their own risk. Neither Mobley Livestock Marketing and associates, nor sale staff, nor Cleburne County Livestock Auction and staff, nor sale consignors will be held liable for injury to attendees, or to purchased animals. The responsibility for sold animals passes to the buyer when the auctioneer says "sold". Mobley's Auction Service and Cleburne County Livestock Auction will make every reasonable effort to ensure the safe handling of purchased cattle until picked up by the buyer, however buyers are encouraged to purchase their own insurance before transporting newly bought cattle.

Livestock Mortality Insurance: Ask Mobley Livestock Marketing associates for information.
