## Cattlemen welcome to the 10th Annual Arkansas Bull Sale!

We're proud to celebrate the 10th year of the Arkansas Bull Sale, an event that cattlemen from all corners of Arkansas and surrounding states eagerly anticipate. Over the years, I've had the privilege of providing a marketplace for high-quality replacement bulls and females, while helping Seedstock producers expand their reach.

As you browse through this catalog, you'll see the dedication of the Seedstock producers who have worked tirelessly to offer you top-tier bulls and females. These cattle are selected with care to meet your criteria—whether that's calving ease, production, carcass quality, or maternal traits. With these genetics, you'll be positioned to maximize profit and improve your herd.

Every bull has undergone a current Breeding Soundness Exam (BSE), a semen test, and will come with health papers from a licensed veterinarian. Don't forget to check out the select group of commercial replacement bred and open heifers as well!

Thank you for choosing the Arkansas Bull Sale as your trusted source for replacement bulls and females. I look forward to assisting you in any way I can—please don't hesitate to reach out with questions or for more information.
